Tell CM to take a deep breath. I'm not too uptight about it. They actually did me a favor by calling the character Matty. The flip flops make me more uptight than anything because I caught more dirty looks from the ambo over that and my gym attire in the embassy than anything else. Poor Anne aged 10 years during those 3 years. Maybe you'll be lucky and they will have a character that resembles your ugly mug in part 2. Lol....the hairy gay dboy

dude, someone keeps leaking info on your exploits across the border. Part 2 is coming out? Cookie Monster just dropped a golden egg when I showed him the trailer. His response was of fuck, Matty is going to have a nervous breakdown with this shit. Any idea who spilled so many details? And now they are plugging a halo scene? Do we think it's the mx marinos? thriller out
